Environmental Authorisation in terms of the National Environmental Management Act, 1998 (Act107 of 1998) and the Environmental Impact Assessment Regulations, 2010: The proposed Dippenaar Boardwalk on Portion 111 of the Farm Brakkloof 443 and a portion of Erf 2132, Plettenberg Bay

Reference: EG 12/2/4/1/D1/14/0035/11

Dear Registered Interested and Affected Party

As a result of the fires in June 2017 in the Garden Route, the above mentioned boardwalk burnt down. We have submitted an EMPr with DEA&DP that has been approved.

Our offices in Lake Brenton were destroyed by the fire and all our archive files were lost. DEA&DP now request that we submit proof that the Environmental Authorisation (EA) was sent to all I&AP's. The Environmental Authorisation was issued on 26/11/2010.

Please see attached the Environmental Authorisation, the applicant wishes to rebuild the deck as per the approved EMPr.

As per point 4.2 of the EA Eco Route needs to advise all registered I&AP's of the fact that an appeal may be lodged against the decision in terms of Chapter 7 of the Environmental Impact Assessment Regulations, 2010 detailed in section F of the EA.

Should you require any further information, please do not hesitate to contact me.

Kind Regards

Janet Ebersohn
