Disclaimer

As per chapter 3 point 13 of the NEMA regulation No. 38282:

General Requirements for EAP'S (Environmental Assessment Practitioner)

13. (1) An EAP and a specialist, appointed in terms of regulation 12(1) or 12(2) must –
- (a) be independent.
 - (b) Have expertise in conducting environmental impact assessments or undertaking specialist work as required, including knowledge of the Act, these regulations and any guidelines that have relevance to the proposed activity.
 - (c) Ensure compliance with these Regulations
 - (d) Perform the work relating to the application in an objective manner, even if this results in views and findings that are not favourable to the application
 - (e) Take into account, to the extent possible, the matters referred to in regulation 18 when preparing the application and any report, plan or document relating to the application; and
 - (f) Disclose to the proponent or applicant, registered and affected parties and the competent authority all material information in the possession of the EAP and, where applicable, the specialist, that reasonably has or may have the potential of influencing –
 - i. Any decision to be taken with respect to the application by the competent authority in terms of these regulations; or
 - ii. The objectivity of any report, plan or document to be prepared by the EAP or specialist, in terms of these Regulations for submission to the competent authority; unless access to that information is protected by

law, in which case it must be indicated that such protected information exists and is only provided to the competent authority.

- (2) In the event where the EAP or specialist does not comply with sub regulation (1)(a), the proponent or applicant must, prior to conducting public participation as contemplated in chapter 5 of these regulations, appoint another EAP or specialist to externally review all work undertaken by the EAP or specialist, at the applicants cost.
- (3) An EAP or specialist appointed to externally review the work of an EAP or specialist as contemplated in sub regulation (2), must comply with sub regulation (1).
