**KNYSNA ERF 12403 – PROPOSED NEW MIXED USE, MULTI-PURPOSE SPORT DEVELOPMENT**

Your letter with attachments under reference Pr11/53b12 dated 10<sup>th</sup> May 2019 concerning the above mentioned refers.

This office subjected to the following conditions has no objection to the proposed activity.

- Knysna Municipality must provide all potable water to the development.
- The disposal of untreated sewage effluent on site will not be allowed.
- All sewage is to be connected to the Knysna Municipal waste water network.
- All solid waste is to be incorporated into the Knysna Municipal solid waste stream.
- All residential accommodation must be on a temporary basis only.
- All possible steps must be taken to protect the wetland from pollution.
- This office reserves the right to amend these requirements if and when more information becomes available.

Yours faithfully

**DISTRICT MANAGER: GARDEN ROUTE/CENTRAL DISTRICT**

**DATE: 14 MAY 2019**
