SITE PHOTOGRAPHS

1. View from south to north across the site, with pastures in the foreground, forest on the slopes and exotic trees on the skyline.

2. Equestrian infrastructure within pasture area.

3. Secondary vegetation with mixture of shrubs and herbaceous species.

4. Pasture area grazed short.

5. Large remnant milkwood tree.

6. Areas near forest margin.

Excavated dam

7. Location of excavated dam associated with spring.

Spring

8. Location of spring (trough).

9. Observations made for the Agricultural Compliance statement by Dr Darren Bouwer of DSA.

10. Views onto 91/304 from the PO394 road and from roughly the centre of the property (Dr. Peter Nilssen).

11. Viewed from the SW corner (Dr. Peter Nilssen).

12. Portion 91/304 seen from the SE corner (top) and from the DR1888 road in the north-west (bottom) (Dr. Peter Nilssen).

13. Views towards and onto 91/304 from the DR1888 road in the north-east. Note that the property is hardly visible due to screening by vegetation (Dr. Peter Nilssen).

14. Portion 91/304 seen from the eastern boundary near the NE corner of the development footprint (Dr. Peter Nilssen).

15. Pedestrian and/or horse-riding trails along the northern boundary (top) and in the northern part of the development footprint (bottom) (Dr. Peter Nilssen).

16. Riding or training area with spoil heap in foreground (top) (Dr. Peter Nilssen).

17. Paddocks and sheds associated with the K-rides equestrian centre (Dr. Peter Nilssen).

18. Feeding and watering area and temporary shed (Dr. Peter Nilssen).

19. Natural spring with retaining wall to create drinking trough. The wall is about 0,5 m high (Dr. Peter Nilssen).
