4. In terms of section 49A of the NEMA it is an offence to commence a listed activity

without environmental authorisation. A person convicted of such an offence is liable

to a fine not exceeding R10 million or to imprisonment for a period not exceeding 10

years, or to both such fine and such imprisonment.

5. As such, you are hereby given notice of the Department's intention to issue you with

a Compliance Notice in terms of section 31L of the NEMA, which will instruct you to:

5.1 immediately cease the above listed activity;

11. If you wish to continue with the listed activity you may apply for environmental

authorisation by way of a section 24G ("s24G") application. However, such

application does not constitute permission to continue with the listed activity, which

remains unlawful unless environmental authorisation is granted.

Department for approval, within 30 (thirty) calendar days of receipt of this Pre-
