ST FRANCIS BAY: DEVELOPMENT OF PORTION 250 OF FARM 745, GOED GELOOF: BULK SERVICES

Dear Mr. N van den Berg,

Your email dated 19 September 2024 refers.

This office kindly confirms the following:

1. The subject property is included in the Urban Edge and is earmarked for development.
2. The Kouga Local Municipality supports the proposed development subject to all processes to be followed, requirements to be met and outcomes found to be favourable for such.

Kindly take note that the developer will be responsible to apply for authorization from the relevant governing bodies to construct the Link and Internal Services reticulation.

I trust this finds you well.
